DETAILED ACTION

1. Claims 1-6, 8-18, and 20-25 are pending.
2. Appeal Brief filed 08/24/2007 has been received and considered.

Allowable Subject Matter

3. Claims 1-6, 8-18 and 20-25 are allowed.
4. The following is an examiner's statement of reasons for allowance: The prior art teaches secure time stamping and a processor switching between modes. The prior art does not teach nor would it be obvious to one of ordinary skill in the art to use a key in a first mode test and encryption operations and the same key in a second mode for time stamping operations where the key is precluded from being used in the first mode once it is used in the second mode.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
